

Answers for critical questions about Christian faith!

After many years of meeting with college students (both believers and skeptics) in college campus coffee shops, I wrote and published two books that are now offered by Amazon for \$3 (plus tax) as e-books:

www.amazon.com/s?k=Bob+Prall+e-books.

Then I recorded **four 80 minute audio messages** that are **free** and can now be downloaded as **zip files**:

How to share your faith:

Understanding Bible Prophecy:

The Resurrection His and Yours:

Yes But FAQs: “Frequently asked questions”

From those longer files, I later developed several shorter audio mp3 files (and a few readable pdf files) to reinforce the faith of Christian students. Some students may use them to share their faith with friends and classmates who are doubters. Many uninformed skeptics used them to destroy the faith of new believers. **They can be downloaded and played or read on smart phones or PC's from:**

The Resurrection of Jesus Christ (23 minutes):

After they are downloaded, they are your permanent possession. I will try to have this remain on the internet for three years after I depart (but I am 89 years old).

I do not have a 501(c)3 non-profit organization, and I do not need or seek contributions. I will appreciate the \$2 royalty, Amazon will send me, if you purchase one of my e-books from Amazon.
